

Agenda - 9/9/10

1. President - Denise Osterholm
2. League Operator – Dave Marincel
3. Sponsor Fee - \$80.00
4. Weekly Fee - \$5.00 last year
5. Christmas Holidays – Christmas Eve on Fri. – No play on Dec 23rd and play the day before New Years Eve.
6. How do we split the league if needed in 1st half and 2nd half?
Last year every team was played once in the 1st half, with two divisions in the 2nd half, odd and even, 20 teams. If we have 22 teams, using this method, the season would be 31 weeks, ending the 1st week of May.
7. Scoring same as last year.
Handicaps – some good players came in with low handicaps – use handicaps from other leagues?
8. Weekly envelopes – Dropped off at Mr. Lucky's by Monday 5 p.m. in mailbox by back door. If not there by then, the home team pays a \$5.00 fine.
9. Get the envelopes in on time whether the money is in there or not. **ALWAYS** write down the person(s) name that didn't pay. The home team is responsible.
10. All stats will be accessed from web site. The site will have the schedules – stats – tournament listings – links, etc.
11. Lucasi Cues has same offer as Pechauer had last year. We will submit paper work to get cue. We still have last years free cue... What should we do? Raffle 2 cues this year?
12. A new league has formed called Midwest Pool players Association or MPA.
13. Dual sanctioning – at the request of many we are checking into the possibility so people will have the chance to play the state tourney in Duluth. – Voted down.
14. **Reminder** - Score sheet disputes – check after every round with the other team to see if you have the same score. If you call to have me to settle a dispute – we will have to go with the home teams sheet. We are not there – we don't know what happened.
